

ECONOMIC AND COMMUNITY BENEFITS OF THE AJAX CAFE AND BOAT SCHOOL

The Ajax Cafe food and dollars nourish the local community and economy.

- Purchases food from local farmers
- Serves as a major employer in Port Hadlock
- Draws people from outside the area to spend time and money in the County
- Provides venue for local events
- Creates public venue for wine makers, musicians and others

The Boat School builds people, boats, community, and local economy.

- Draws talented and creative people to Jefferson County, providing an influx of talented boatbuilders, craftspeople, and entrepreneurs
- Purchases tools, wood, supplies, and services from local suppliers
- Draws students who spend money year-round on housing, tools, food, transportation, and recreation
- Serves as a major employer in Port Hadlock
- Brings business to local maritime trades who help complete the school's boatbuilding projects.
