

2018-2019 Required and Recommended Book List

Several of the books listed below can be found in the School's library. It is not required that student purchase books – borrowing the books from the library is perfectly acceptable. Students need to have a copy of the book required before the start of each program. The required and recommended books are available for purchase in the Student Bookstore. Boat School students receive a 20% discount.

All students in Traditional and Contemporary Wooden Boatbuilding will receive a copy of *Hand Tools* by Aldren Watson on the first day of class.

Required Reading List by Program	List Price
<i>Traditional: How to Build a Wooden Boat</i> by David C. "Bud" McIntosh	36.00
